## **45th FRIENDS Gala**

**After three long years, we are so excited to share the excellent time our FRIENDS had at the 45th Annual Gala. Almost 400 guests of Inner-City attended the event held at Cipriani 42nd Street on May 10, 2022.**

Our chairs this year were Mary and Jon Rather. The Rathers are long-time supporters of Inner-City Scholarship Fund and currently sponsor ten students. “For those of you here tonight to support a student, a school or a program, we extend our sincere and heartfelt thank you,” Jon Rather said. “And if you’re new to Inner-City, please consider giving of your time, talent, or financial support to help these amazing children in need, and in supporting Inner-City. You will receive more in return than you could ever possibly give.”

## A MESSAGE FROM OUR PRESIDENT

Dear Friends,

As many of you know, our long serving Executive Director Susan George has accepted an invitation from His Eminence Timothy Michael Cardinal Dolan to expand her role at the Archdiocese of New York and become the Chief Advancement and Stewardship Officer. My fellow trustees and I congratulate Susan on this well-deserved appointment.

For the past 18 years, Susan has led Inner-City Scholarship Fund and worked closely with Cardinal Egan, Cardinal Dolan, and three Superintendents of School. Her extraordinary leadership has helped Inner-City Scholarship Fund give over 100,000 boys and girls the opportunity to receive a life-changing Catholic school education. Moving forward, Susan will serve on our Board of Trustees as an ex-officio member and will continue to dedicate time focusing on the mission of Inner-City Scholarship Fund.

We are delighted to announce that our new Executive Director will be our very own, Jill Lloyd. Ms. Lloyd has worked as Susan's #2 fundraiser at Inner-City Scholarship Fund for several years in her former role, Director of Development. Jill has

done a superb job, and we cannot wait to see what she does next to further the work of Inner-City Scholarship Fund.

As we congratulate both Jill and Susan on their new roles, we recognize that our mission is as vital as ever. Inner-City will continue to open doors to students where they may otherwise be closed and will help them overcome obstacles that are often insurmountable without the foundational support of our Catholic schools.

Thank you for your continued support of Inner-City Scholarship Fund and the incredible impact you make in the lives of our students. 🙏

Warmly,

Peter T. Grauer  
President,  
Inner-City Scholarship Fund

Jenny Miller Dutton, new Chair of the FRIENDS Committee, announced another record-breaking year, raising \$1.6 million for Inner-City Scholarship Fund. These proceeds will be used to enrich the programming and provide over \$14 million dollars in scholarship support to over 9,000 underserved students at Catholic schools in the Archdiocese of New York.

Our guests were serenaded with student performances from Notre Dame High School in Manhattan and Cardinal Spellman High School in the Bronx. The students presented songs with a "welcome back theme" to celebrate the event returning in-person for the first time since the pandemic. The performed songs were "Welcome Back," "Where or When," and "Welcome to New York." We are continuously amazed by our multi-talented students.

The FRIENDS of Inner-City Scholarship Fund, founded in 1976, is dedicated to enhancing the education of students attending Inner-City

## Be A Student's Friend: Class of 2022

On Thursday, May 12 Inner-City recognized the class of 2022 at its annual *Be A Student's Friend Graduation Reception* at Dillon Hall.

While some sponsors choose to get to know their students personally over the years, others remain anonymous and receive periodic updates from their students. For some of the 56 students and the 30 sponsors in attendance, the reception marked

*Be A Student's Friend Scholarship Recipients*

the first time they had a chance to meet each other. The reception provides an opportunity for both donors and students to share in the celebrations of the accomplishments and hard work required of the students and generosity of the donors to bring them to this day.

Susan George, then Executive Director, congratulated the students on their hard work. Inner-City Scholarship Fund is proud to announce that 98 percent of graduates have been accepted into post-secondary education, with graduates attending Yale, New York University, Rensselaer Polytechnic Institute, and Johns Hopkins University, among many others. Amongst these graduates, 20 percent are first-generation college students in their family. Ms. George remarked about how great it was to have the event back in person and having the special opportunity to see the students and sponsors interact again.

Inner-City is proud of the resilient class of 2022, and the success of its graduates is Inner-City's greatest accomplishment. 🎓

## Our Schools In The News

**Another year, another first day back to the classroom for Catholic schools. And our schools caught the eye of the media! The start of the 2022-2023 school year marks the first time since the beginning of the pandemic that schools have opened without COVID-19 restrictions.**

With activities such as theatre, lunch break, and recess brought back, things are finally starting to look normal again for our Catholic school students. CBS News visited the School of the Blessed Sacrament's Barry Upper School campus on 52nd Street in Manhattan during the first day of school. Principal Megan Gonzalez, Manhattan Regional Superintendent Anthony Biscione, teachers, and students voiced their joy at finding themselves together and back in school without restrictions.

Anthony Biscione said, "students learn best when they learn from their peers, when they work with their peers, and can engage in team building activities." We are so excited to help students reach

their full potential in this new form of normalcy without restrictions.

Michael Deegan, *Superintendent of Schools, Archdiocese of NY*, spoke with Catholic Faith Network Live. Deegan said, "when you see the students walk in the first day, it is so exciting, so enthusiastic." To watch the compilation of media coverage, head to the Catholic Schools NY Youtube page. 📺

*Jimmy Lee Scholars at the annual career fair*

## Jimmy Lee Scholars Fund – Career Fair

The Jimmy Lee Scholars Fund is an endowed scholarship program established in 2015 in memory of longtime friend and trustee of Inner-City Scholarship Fund, James "Jimmy" B. Lee, Jr.

Mr. Lee was a pioneering investment banker and a JPMorgan Chase employee for over 40 years. His legendary deal-making was instrumental for many major corporate acquisitions, and he is considered the architect of the modern-day private equity industry.

The Jimmy Lee Scholars Fund provides tuition assistance to high school students based on need and merit. Scholarship recipients must maintain a high GPA and participate in an athletic, academic, or artistic team-based, extracurricular activity for all four years of high school. During the 2021-22 school year, 25 students were supported by the Fund.

*Susan George speaking at the career fair*

On Tuesday, April 26 the Jimmy Lee Scholars gathered at JPMorgan Chase for a career workshop. The workshop began with a resume writing and job searching session presented by Mark Ruggiere who oversees Inner-City's Job Opportunities Program. Next, Kenny Acquah, former scholarship recipient and current committee member, discussed his path to becoming a business owner and entrepreneur. Jamie Lee, Managing Partner at Tamarack Global and son of Jimmy Lee, Jr., concluded the workshop with a session on technology and finance.

Following the workshop, some of the students headed to Madison Square Garden for a New York Rangers game, hosted by JPMorgan Chase. 🏒

## A Student Who Perseveres

Meet one of our astounding alumni, **Elijah Mike**. Elijah is a 2022 graduate from Cardinal Hayes High School and was one of our Schwarzman Scholarship recipients. Elijah has battled sickle cell disease from birth. This past spring, Elijah was featured in multiple news stories highlighting his achievements.

“Sickle cell is not an easy thing to deal with at all,” he says. “There’s been times where sickle cell has made me miss school. Or even when I was hospitalized back in January, I couldn’t come to school the week before midterms.”

Despite battling this life-threatening disease throughout school, Mike began a seven-year bachelors/medical degree program from his first choice of university this fall, the Sophie Davis Biomedical Education program at the CUNY School of Medicine. Elijah says he is excited for the challenging seven years ahead of him which will allow him to receive his bachelor’s in science in three years and medical doctor’s license in four.

“I grew up in hospitals since I was little because of sickle cell and was always served so, instead of always being served, I want to be the one to serve,” Mike adds.

Elijah attributes the majority of his academic success to the opportunity the Schwarzman’s

Elijah Mike with Christine and Stephen Schwarzman

gave him to receive a Catholic School education. “Through my Catholic education, I have learned the importance of faith, as well as the importance of gratitude. That is why I make an effort to share my gratitude towards my school, community, and of course, the Schwarzmans.”

Mike is the first of his family to pursue a career in the medical field. We at Inner-City Scholarship Fund are continually blown away by students like Elijah Mike who persevere against all odds. 🙏

## Junior Board Event – A Night at the Palace

On Friday, May 20 at The Palace NYC, 200 young professionals enjoyed cocktails and dancing at the **Junior Board Spring Soirée**. Through a raffle, silent auction, and the generous support of our Juniors, over \$60,000 was raised to support scholarships and enrichment programs for students in Catholic schools.

The Inner-City Junior Board provides hands-on support to inner-city Catholic school students in our participating schools. Junior Board members work in all industries and live throughout the tristate area, but their common desire is to help the boys and girls of our inner-city schools. From trips to cultural landmarks, athletic programs and

Spring Soiree attendees

community service projects, the effect our Junior Board members have on the kids in our schools is incalculable.

The Spring Soirée was the culmination of a successful year of volunteering for the Junior Board. During the school year, the Juniors spent their time volunteering with basketball clinics and hosting Zoom parties such as the Reading Safari Party and Valentine’s Day event. The Juniors are looking forward to planning their next adventures with the students of the Archdiocese. 🙏

# Honoring Great Friends

This year, Inner-City Scholarship Fund lost two of its long-time trustees and friends, **John Callagy** and **George B. Irish**. With heavy hearts we will continue to build upon the great legacy both great men leave behind. May they rest in peace.

## John Callagy

Mr. Callagy was a cherished part of the Inner-City Scholarship Fund family for 18 years. His leadership of Inner-City's Lawyers Committee and extraordinary generosity helped thousands of deserving children receive a Catholic school education.

## George B. Irish

Mr. Irish started his friendship with the Archdiocese of New York in 1994 and joined the board of Inner-City Scholarship Fund in 2010. During these years, Mr. Irish played an integral part of our organization.
